MAGNESIUM COMPLEX

Food supplement

Magnesium is an essential mineral required for hundreds of biochemical reactions in the body, including contributing to reduction of tiredness and fatigue. It also contributes to normal functioning of the nervous system and muscle function.

Ingredients: magnesium bisglycinate, magnesium oxide, magnesium salts of citric acid, bulking agent: microcrystalline cellulose; red beet powder, kale powder, cruciferous mix (radish, kale and broccoli extracts), anti-caking agents: stearic acid, silicon dioxide; stabiliser: cross-linked sodium carboxy methyl cellulose; bulking agent: calcium carbonate; glazing agent: hydroxypropyl methylcellulose; humectant: glycerin.

Recommended daily intake: 1 to 2 tablets per day. Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Keep out of reach of children. Store in a cool and dry place.

Lot number & Best before end: See on the packaging.
